TECHNICAL OFFER

Navigation Radar and ECDIS System

Project	OSV-45 Multipurpose Offshore Support Vessel (Hull 101)
Document No.	GMS-OFF-2026-0342
Revision	1
Date	05.04.2026
Prepared by	Globex Marine Systems
Reference	SOTR EX-101-SOTR-021 Rev. A
Offer validity	120 days

1. Offered System

Globex Marine Systems offers the GMS Bridge 900 integrated radar and ECDIS system, fully networked and type approved.

2. Scope of Supply

Item	Description	Qty
1	X-band radar, 25 kW transceiver, 8 ft antenna	1
2	S-band radar, 30 kW transceiver, 12 ft antenna	1
3	Multifunction workstation, 24-inch display, 1920 x 1200 pixels	2
4	ECDIS licence with back-up chart server	2
5	Redundant bridge LAN, dual managed switches	1 set
6	UPS, 30 minutes back-up	1

3. Technical Compliance Summary

3.1 Tracking of 256 targets with AIS overlay. Radar to IMO MSC.192(79) and IEC 62388; ECDIS to IMO MSC.232(82) and IEC 61174.

3.2 All listed interfaces (gyro, DGPS, AIS, EM log, echo sounder, VDR) conform to IEC 61162 and are included in the offer.

3.3 Antenna units are rated IP55 and -25 C to +55 C; the vendor proposes this as an acceptable deviation from IP56. Below-deck units are rated -15 C to +55 C at 95% RH.

3.4 Type testing to IEC 60945 is complete. Marine equipment type-approval certificates are valid until 2029 and copies are enclosed.

3.5 MTBF 18,000 hours and MTTR 1 hour for each major unit. Built-in test isolates faults to line-replaceable-unit level.

4. Support

4.1 Warranty: twenty-four (24) months from vessel delivery. Product support is guaranteed for ten (10) years.

4.2 On-board spares for two (2) years are included, and a priced base-spares list is attached.

4.3 FAT is included, and attendance at HAT and SAT is included at no extra cost.

4.4 Training is held at the vendor's training centre for 6 operators and 2 maintainers. On-board training is not included.

4.5 Delivery: eight (8) months from purchase order. Manuals in English, printed and searchable PDF.
